

Bank of Colorado opens new branch at 2534

Bank of Colorado is proud to announce the opening of its 35th location at 4848 Thompson Parkway in the 2534 Development. The new location opened last month. The history of Bank of Colorado, an affiliate of Pinnacle Bancorp, goes back to the 1930s. From its beginnings Bank of Colorado has been a family owned bank. Today, Bank of Colorado and Pinnacle Bancorp have an asset size in excess of \$4 billion. Bank of Colorado has one of the strongest balance sheets in the area and takes pride in providing its customers with innovative banking products and top-notch service.

The management team at this location will consist of Christian Bordewick (Branch President) and Randy Cruz (Branch Manager). Bordewick and Cruz are very active in the local community and have many years of banking experience.

Bank of Colorado

The way banking should be.

Member FDIC

"We have put together a staff that is eager to provide banking products of the highest quality delivered with the highest level of service," said Bordewick.

This location will also be the headquarters of our Mortgage Division which is headed by Clark Johnson, President. Johnson has over 25 years of experience in the mortgage industry. Bank of Colorado is excited about building new relationships in our new community. Feel free to stop by and see us at our new location and experience The Way Banking Should Be.
